THIS IS UNEVALUATED INFORMATION

1. On 15 October 1949 all SNB border patrols within the As (Asch - M51/P18) and Cheb (Eger - M51/P37) border area were replaced by new SNB personnel who had been given special training for this job. Only a few individuals who are considered reliable and have been members of the Communist Party since 1945 will remain at their posts.

2. [redacted] in spite of careful political schooling given to new SNB recruits in special training camps, many of the new SNB patrolmen look upon their new assignment as an opportunity to engage in subversive activity or to escape into the American Zone of Germany.
